Thanks Mike, Joel Ball will be here to accept them. I had requested testing parameters info on these cars from Garrett and Rob but haven't heard anything. Should I send the request form to you instead or wait for Garrett to respond?

Jim:

I was informed today that VW will now deliver 2 vehicles to EPA Ann Arbor the week between Christmas and new year's.

- 1) 2.0L TDI Generation 2 - Automatic Transmission
- 2) 2.0L TDI Generation 2 – Manual Transmission.

I believe these vehicles have the latest software.

Please let me know as soon as possible if there will be any problems with delivering these vehicles during this given time frame.
